Anti Pilling!

HiMALAYA EVERYDAY

Anti-Pilling Nedir ?

- Giyim ve yıkama esnasında oluşabilecek hav ve tüylülüğe karşı dayanıklıdır.
- Diğer akrillik elyaflara göre çok daha dayanıklı olduğundan ürünlerimizde kullanıldıkça oluşan yıpranmalar az olur. Bu da ürünümüzün daima yeni örülmüş gibi kalmasını sağlar.
- Anti-Pilling elyafında elektirklenme (statik ekektirk) diğer elyaflara göre çok daha düşüktür.
- Anti-Pilling elyafı Türkiye'de ve Dünyada Everyday markasına özeldir.

Your handiwork will be the happiest memoir in his mind.
